

MILWAUKEE RADIO AMATEURS' CLUB INC.
MEETING MINUTES:
December 5, 1968
Milwaukee School of Engineering

The meeting was called to order at 8:10 by President Travis Baird.

Because of the auction at the November meeting, there were no minutes.

The treasurer was absent, so there was no treasurer's report.

A letter from the Pabst Brewery cancelling the January 9th date for Old-Timers Night was read. The cancelation was due to floor remodeling being done at that time. It was suggested that other breweris be contacted to secure quarters. It was also suggested that an earlier date, such as December 26th or January 2nd be set.

It was reported that Russ Burs, W9RKP, is making arrangements for the annual Valentines Day party, for Saturday February 15th, at the usual place.

Charles Polascheck repeated his report of one year ago describing the facilities of the Milwaukee County Historical Society. The possibility of the Club forming a committee to collect items relating to Amateur Radio, for storage and display was discussed. No conclusions were reached. K2
